

## GUIDELINES FOR PERSONS WITH DISABILITIES USING A SCRIBE

The visually impaired candidates and candidates whose writing speed is adversely affected permanently for any reason can use their own scribe at their cost during the Online Aptitude Assessment, subject to limits as in (i) and (ii) below. - ▶ The scribe arranged by the candidate should not be a candidate for the same Online Aptitude Assessment. If violation of the above is detected at any stage of the process; candidature of both the candidate and the scribe will be cancelled. Candidates eligible for and who wish to use the services of a scribe in the Online Aptitude Assessment should invariably carefully indicate the same during registration. Any subsequent request may not be favorably entertained.
- ▶ A person acting as a scribe for one candidate cannot be a scribe for another candidate.
- ▶ The scribe may be from any academic stream.
- ▶ Those candidates who use a scribe shall be eligible for compensatory time of 30 minutes for Online Aptitude Assessment and 5 minutes for Psychometric Questionnaire or as otherwise advised.
