*Only Parent, Grandparent or Legal guardian can be the Policyholder, in case where Life Assured is a minor.

**In case of minor lives being Life Assured, the minimum Policy Term shall be calculated as: 18 years less Life Assured Entry Age

*Premium is exclusive of Goods and service tax and any other cess, underwriting extra premium (if any).

Survival Benefit

On survival of the Life Assured during the policy term, provided the policy is in force and all due Premiums till date have been paid/waived, Regular Income as following shall be payable to you in arrear throughout the policy term.

- i. **Guaranteed Incomes** (GIs) are guaranteed benefits and shall be payable at end of each chosen Income Payout Frequency throughout the policy term, starting from the first policy year.

GI is defined as GI Rate x Annualized Premium[^].

Where, GI Rates are as provided below:

PPT	6	8	10	12	15
GI Rate	1.0%	3.5%	7.5%	9.0%	10.0%

[^]Annualized Premium shall be the premium amount payable in a year chosen by the policyholder, excluding the taxes, rider premiums, underwriting extra premiums and loadings for modal premiums, if any.

- ii. **Cash Bonus** if declared shall be payable at end of each chosen Income Payout Frequency throughout the policy term, Starting from the first policy year.

Where Cash Bonus = Cash Bonus Rate (as declared) X Sum Assured on Maturity

iii. Guaranteed Boosters (GB) are guaranteed benefits payable at the end of every 5 years during the Policy Term, starting from the end of the fifth policy year.

GB is defined as GB Rate x Annualized Premium

Where, GB Rates are as provided below:

Policy Term	6	8	10	12	15
15 to 24	12.0%	12.0%	12.0%	12.0%	12.0%
25 to 34	14.0%	14.0%	16.0%	16.0%	16.0%
35 & above	15.0%	17.0%	20.0%	20.0%	20.0%

Maturity Benefit

At the end of the Policy Term, provided the policy is in force and all due Premiums till date have been paid or waived you will receive the Maturity Benefit in lumpsum. Maturity Benefit shall be calculated as:

- i. Sum Assured on Maturity, plus
- ii. Terminal Bonus, if any

Where, Sum Assured on Maturity = Annualized Premium x Maturity Sum Assured Rate (as applicable)

Maturity Sum Assured Rate are available on our website <https://www.ageasfederal.com/>

Terminal Bonus if any, shall be expressed as a percentage of Sum Assured on Maturity, and payable on Death, Surrender or Maturity of the policy.

On payment of Maturity Benefit, the policy shall terminate and all rights, benefits and interests under the policy shall stand extinguished.

Death Benefit

On unfortunate death of the Life Assured during the policy term, provided the policy is in force and all Premiums due till date of death have been paid, following death benefit shall be payable to the nominee in lumpsum:

(A) If Uninterrupted Income Benefit is not chosen

Death Benefit shall be the sum of:

- » Higher value of:
 - Sum Assured on Death or,
 - Sum Assured on Maturity or,
 - 10 times the Annual Premium
- » Interim Cash Bonus (if any)
- » Terminal Bonus on Death (if any)

The Death Benefit shall be atleast 105% of Total Premiums Paid as on date of death and shall not be less than the surrender value as on date of death.

Any unpaid portion of Guaranteed Income and Cash Bonus if any, payable during the policy year of death shall be paid along with the Death Benefit.

Interim Cash Bonus if any, shall be declared as a percentage of Sum Assured on Maturity and is payable in between two bonus declaration dates.

For non-annual mode policies, Death Benefit shall be paid after deducting premiums due up to next policy anniversary without any interest.

On payment of death benefit, the policy will terminate and all rights, benefits and interests under the policy will stand extinguished.

(B) If Uninterrupted Income Benefit is chosen

Death Benefit shall be higher of:

- *Sum Assured on Death or,*
- *Sum Assured on Maturity or,*
- *10 times the Annual Premium or,*

The Death Benefit shall be at least 105% of Total Premiums Paid as on date of death

For non-annual mode policies, Death Benefit shall be paid after deducting premiums due up to next policy anniversary without any interest.

On payment of above Death benefit, all future premiums, if any, shall be waived off. The policy shall not terminate and shall continue to receive Survival Benefits (including any declared Cash Bonuses) and Maturity Benefit (including Terminal Bonus on Maturity if any) same as an in-force policy,

Where,

Sum Assured of Death = 10 x Annualized Premium

Annual Premium shall be the premium amount payable in a year, including underwriting extra premiums and loadings for modal premiums, if any, but excluding the taxes and rider premiums, if any

Total Premiums paid is defined as total of all the premiums received, excluding any extra premium, any rider premium and taxes.

Reversionary Bonus is not applicable for this plan.

Apart from the types of Bonuses mentioned under Survival, Maturity and Death Benefit section, the Company may declare one-off Bonuses under special circumstances at its discretion. All the Bonuses are not guaranteed and shall be declared by the Company.

SUPER Benefits

» Save the Date

The Survival Benefit(s) shall be payable on policy anniversaries by default. However, you have an option to defer and receive these Benefit(s) at any date between two consecutive policy anniversaries. Such chosen date shall be termed as Special Date for this purpose. The policyholder can choose this Special Date only at inception, which cannot be changed thereafter. If you select this option then the Income Payout Frequency shall become yearly. Each Survival Benefit(s) payouts shall be increased for the period from the policy anniversary till the Special Date at an interest rate equal to Annualized Yield on 1 year Government security sourced through Financial Benchmarks India Pvt. Ltd. (FBIL) on 1st working day of April each year. Any change in the formula or basis to set interest rates shall be made with necessary approvals as required by IRDAI. The current rate of interest is 7.34% per annum basis 1 year G-Sec rate as on 1st April, 2023. This interest rate shall be reviewed annually. The last instalment of Maturity Benefit will be paid on the end date of policy term.

The policyholder can opt out of this feature anytime during the policy term. Upon opting out, the Survival Benefit shall be payable on policy anniversaries, effective from immediate next policy anniversary.

Premium Offset cannot be chosen along with Save the Date option

» Uninterrupted Income Benefit

This is an optional benefit under this plan. This benefit ensures that, in case of an unfortunate event of death of the Life Assured, in addition to applicable death benefit, all future premiums under the policy being waived off. On payment of Death Benefit, the policy shall not terminate and shall continue to receive the benefits as an inforce policy. The policy will participate in all future distributable profits declared after death of the Life Assured.

This benefit can be opted at inception only, and once opted it cannot be opt-out anytime during the Policy Term. In order to opt for this benefit, the Policyholder and Life Assured have to be the same.

» Premium Offset

This is an optional benefit under this plan. The Policyholder will have an option to utilize the Survival Benefits to offset the due premiums during the Premium Payment Term. This option can be chosen anytime during the Premium Payment Term of the Policy and shall be effective from the next policy anniversary.

The request regarding the same have to be provided to the Company at least 30 days prior to the premium due date. Upon receipt of such a request, the Company shall automatically offset the latest Survival Benefit payable against the Premium due.

If the Survival Benefit is not sufficient to offset the due Premium in full, the shortfall shall be payable as on the premium due date by the policyholder. The company shall recognize the settlement of due Premium only after receipt of the same in full. Any

Survival Benefit in excess of the Premium due shall be paid to the Policyholder.

In case of death of the Life Assured and Uninterrupted Income Benefit being chosen by the Policyholder, the Premium Offset feature shall suspend effective from the date of intimation of death.

This option is only available where Income Payout frequency is Yearly. Save the Date option cannot be chosen along with Premium Offset.

Such change shall be effective from immediate next policy anniversary.

However, if Save the Date Option has been chosen at inception, then the Income Payout Frequency shall be yearly and cannot be changed.

Income Payout Frequency of other than Yearly shall be applicable only if the mode of Premium Payment is Yearly.

For other than the yearly chosen Income Payout Frequency, each applicable Survival/Maturity Benefit(s) shall be reduced by the corresponding applicable Income Payout Factor:

Mode	Modal loadings
Yearly	1
Half-Yearly	0.49
Monthly	0.08

Guaranteed Booster shall be payable in arrear only as Yearly mode of Income Payout.

b) Alterations

- » Alteration to the Premium, Premium Paying Term, Policy Term is not allowed during the term of the policy.
- » Premium Payment frequency opted at inception can be changed during the Premium payment term, any change in Premium payment frequency shall be applicable from next policy anniversary. Modal Factors shall be applied as per the frequency opted, as mentioned in eligibility conditions.
- » Income payout frequency opted at inception can be changed during the income period, any change in income payout frequency shall be applicable from next policy anniversary.

c) Freelook Cancellation

For electronic policies and the policies solicited through Distance mode*

You are entitled to a free look period of 30 days (i.e., for electronic policies and the policies solicited through Distance mode*) from the date of receipt of this document to review the terms and conditions of the policy. In case you do not agree with any of the terms and conditions, you have the option to return the policy to us for cancellation by communicating the same in writing stating the reasons for objections. We will refund you the premium amount after deducting the proportionate risk premium for the cover provided during that time plus any medical examination cost and stamp duty charges incurred by us in respect of the policy. All the benefits under the policy will stand extinguished immediately on the cancellation of the Policy under the free look.

*Distance mode includes every activity of solicitation (including lead generation) and sale of insurance products through the following modes:

- Voice mode, which includes telephone-calling
- Short Messaging Service (SMS)
- Electronic mode which includes e-mail and interactive television (DTH)
- Physical mode which includes direct postal mail, newspaper, and magazine inserts

For all other policies

You are entitled to a free look period of 15 days from the date of receipt of this document to review the terms and conditions of the policy. In case you do not agree with any of the terms and conditions, you have the option to return the policy to us for cancellation by communicating the same in writing stating the reasons for objections. We will refund you the premium amount after deducting the proportionate risk premium for the cover provided during that time plus any medical examination cost and stamp duty charges incurred by us in respect of the policy. All the benefits under the policy will stand extinguished immediately on the cancellation of the Policy under the free look.

d) Renewal Premium in Advance

- » You can choose to pay the renewal premiums in advance within the same financial year for the premium due in that financial year. Provided, the premium due in one financial year may be collected in advance in earlier financial year for a maximum period of three months in advance of the due date of the premium.

- » The renewal premium so collected in advance shall only be adjusted on the due date of the premium.

e) Grace Period

You get a grace period of 30 days for Yearly and Half-Yearly mode and 15 days for Monthly mode from the due date of the first unpaid premium. The benefits of the policy and policy status would remain inforce during the grace period.

If premium is not paid within the grace period, the policy shall lapse and have no further value, or acquire paid-up status if it has acquired a surrender value.

In case of a death claim during grace period, claim amount would be paid after deducting premiums due up to next policy anniversary without any interest.

f) Revival

A policy which has lapsed or acquired paid-up value may be revived for full benefits subject to the following conditions:

- » An application for revival is made within five consecutive years from the due date of the first unpaid premium.
- » The Life Assured must provide satisfactory evidence of health and satisfy other requirements according to the Company's Board approved underwriting policies at that time. Medical tests, if required, have to be borne by the customer at his own cost.

- » The arrears of Premium together with interest are received along with the reinstatement application. The interest on reinstatement, if any, will be decided by the Company from time to time. The Interest if so decided shall be set as quarterly equivalent of (3% + annualized yield on 10 year Government security). Annualized Yield on 10 year Government security is sourced through Financial Benchmarks India Pvt. Ltd. (FBIL). Any change in this formula and basis to set interest rates shall be made with necessary approvals as required by IRDAI. (The current rate of interest applicable from 1st February 2023 is 10.30% per annum basis 10 years G-sec rate as on 30th December, 2022). The frequency of reviewing revival interest rate is 6 months. The same will be reset every year on 1st February and 1st August. Interest charged on policy revival is compounded annually.
- » Such revival shall be based on the Board approved underwriting policy.
- » When a policy is revived after payment of all due premiums together with interest, all Benefits shall be reinstated as for an inforce policy.
- » In case the policy has already acquired a paid-up value and the death of the Life Assured happens during the revival period, Death Benefit for a reduced paid-up policy shall be paid.
- » In the event of revival of the policy as per terms and conditions stated above, (Sum of all Guaranteed Survival Benefits less Sum of all Reduced Guaranteed Survival Benefits) plus, Any declared Cash Bonuses; for the period the

policy was in lapse / paid-up status, shall be payable as lumpsum on revival without any interest.

- » If Policyholder has not revived a lapsed policy within the revival period of five years where the policy has not acquired a paid-up value, the premiums already received by us are forfeited and the policy cannot be revived thereafter.

Non-forfeiture Benefits

If all Premiums have been paid for first two consecutive years, policy acquires Surrender Value and shall not lapse by reason of non-payment of further Premiums but shall be kept in force to the extent of paid-up benefits. The default non-forfeiture option before acquisition of Surrender Value is Lapse and post-acquisition of Surrender Value is Paid-up

i) Lapse

In case of non-payment of due Premiums for the first two policy years before the end of the grace period, the policy shall lapse, and no benefits are payable.

ii) Paid Up

If all Premiums have been paid for at least two consecutive years, the policy shall acquire a Surrender Value. After acquisition of Surrender Value, in case of non-payment of due Premiums within the Grace Period, the policy shall be made paid-up with reduced benefits.

A policy kept alive to the extent of the reduced paid-up

benefits shall not be entitled to participate in any profits declared distributable after the conversion of the policy into a reduced paid-up policy.

If the reduced paid-up policy is not revived before the end of the revival period, the policy would continue as a reduced paid-up policy till maturity.

Following benefits are payable for a reduced paid-up policy:

Events	How and when Benefits are payable	Size of such benefits/policy monies

iii) Surrender

In case you do not wish to continue this policy, you may choose to surrender. If all Premiums have been paid for at least two consecutive years, the policy shall acquire a Surrender Value.

Surrender Value = Maximum (Guaranteed Surrender Value (GSV), Special Surrender Value (SSV))

Guaranteed Surrender Value (GSV) = Maximum {(GSV Factor x Total Premiums Paid till date of surrender) less Sum of (Guaranteed Income, Guaranteed Booster and declared Cash Bonus if any) applicable till date of surrender, 0}

The Company may also pay a Special Surrender Value which may be higher than the Guaranteed Surrender Value.

Surrender Value shall be payable only as a lump sum during the policy term.

GSV Factors are guaranteed. SSV Factors are not guaranteed and may be revised by the Company, subject to necessary approvals as required by the IRDAI.

Any accrued Survival Benefit (including declared Cash Bonus, if any), if not already paid, shall be payable along with the Surrender Value.

If Uninterrupted Income Benefit is chosen then in case of death of the Life Assured, the Beneficiary shall not be allowed to surrender the policy.

On payment of Surrender Value, the policy shall terminate and all rights, benefits and interests under the policy shall stand extinguished.

GSV Factors are available on our *website* <https://www.ageasfederal.com/>.

iv) Policy Loans

You can avail loan under this policy, provisions are mentioned below:

- Loan facility will be available post-acquisition of Surrender Value, without any discrimination amongst policyholders.
- Minimum loan amount is Rs. 5,000.
- The maximum loan amount shall be 85% of GSV.
- Interest rate shall be set as quarterly equivalent of (3% + annualized yield on 10 year Government security). Annualized Yield on 10 year Government security is sourced through Financial Benchmarks India Pvt. Ltd. (FBIL). Any change in this formula and basis to set interest rates shall be made with necessary approvals as required by IRDAI. (The current rate of interest applicable from 1st February 2023 is 10.30% per annum basis 10 years G-sec rate as on 30th December, 2022). The frequency of reviewing loan interest rate is 6 months. The same will be reset every year on 1st February and 1st August. Interest charged on policy loans is compounded annually.
- In the event, where outstanding loan amount plus accrued interest is higher than Surrender Value, the policy shall be foreclosed, after giving intimation and reasonable opportunity to the policyholder to continue the policy. The company shall be entitled to apply the surrender value towards the payment of total outstanding amount (outstanding loan amount + accrued interest). However, for premium paying and fully paid up policies, the company will not do foreclosure.

- » Guaranteed Income, Guaranteed Boosters and Cash Bonuses if any shall be first used to offset the loan amount and accrued interest. The balance shall be paid out to the policyholder.
- » In the event of any claim, if the amount of loan or any portion thereof remains outstanding; the company will be entitled to deduct the outstanding loan amount and accrued interest up to the date of claim from the policy proceeds before settling the claim.
- » In the event of the death of the Life assured, the appointee/nominee cannot avail a loan on the policy.
