Plan at a Glance

Ageas Federal Life Insurance iSecure Plan is a Non-linked, Non-participating, Individual, Pure Risk Premium and Savings Life Insurance Plan. This means that in the unfortunate event of death of the Life assured during the policy term, provided that the policy is in force, a lump sum amount will be paid to the total beneficiary as Death Benefit.

This plan can be purchased online from the Company website – www.ageasfederal.com at a time and place convenient to you. It is simple, quick and available 24x7.

iSecure Plan is designed with options and features to enable you to ensure financial security for your loved ones as per personal preferences and needs.

Base Plan Options: The plan offers 2 options. Policyholder shall choose any one of the following base plan option at inception of the plan.

Base Plan Option	Benefits
Life Cover	In case of unfortunate death during the policy term and provided your policy is in force with all premiums due being paid to date, we will pay your beneficiary the Death benefit in Lumpsum.
Life Cover With Return of Premium	In case of unfortunate death during the policy term and provided your policy is in force with all premiums due being paid to date, we will pay your beneficiary the Death benefit in Lumpsum. However on survival of the Life Assured till maturity of the policy, provided the policy is in force, Maturity Benefit equal to ^Total Premiums Paid till date for base plan option shall be payable in lumpsum.

^Total Premiums Paid means total of all the premiums received, excluding any extra premium, any rider premium and taxes.

Add-on benefits

The policyholder has the option to choose any or both of the following add-on benefits only at inception of the plan on payment of Add-on premium(s)¹. The base plan option and any add-on benefit(s) once chosen cannot be changed during the policy term.

¹Add-on premium(s) means additional premiums with respect to add-on benefit(s) chosen at inception, if any, excluding the taxes, rider premiums, underwriting extra premiums, if any.

1 Accidental Death Benefit (ADB) Cover^s

Accidental Death Benefit Cover is an optional benefit chosen at inception by the Policyholder to enhance protection that you can add-on to your base plan by payment of additional premium. In the event of death of the Life Assured due to accident during the coverage term of the ADB Cover, provided the policy is in force with all due Add-on premiums for ADB Cover being paid to date, the Accidental Death Sum Assured is paid to the beneficiary as a lump sum in addition to the Death Benefit.

^sPlease refer to Exclusions for Accidental Death Benefit on page 15.

2 Life Stage Cover

The Policyholder may opt to increase the sum assured at various life stages of Life Assured as mentioned hereunder. Life Stage Cover has to be opted at inception of the Policy and Life Stage sum assured can be added on any of the below specified events in the life of the Life Assured after the Date of Commencement of Risk, provided the policy is in force with all premiums due being paid to date.

- i First Marriage
- ii Birth of 1st Child and 2nd Child
- iii First Home loan

On death of the Life Assured during the term of the policy with all premiums due being paid to date, applicable Life Stage Sum Assured shall be payable in lumpsum in addition to the Death Benefit subject to conditions.

The premium would vary depending on the cover option(s) chosen.

Flexibility of Policy Term

iSecure Plan allows you to define your policy term * i.e. the number of years for which you want a life coverage. This choice enables you to ensure financial security for your loved ones basis your life stage, responsibilities, assets and liabilities. For example, a 30 year old married individual might choose to opt for a policy term of 30 years or more. On the other hand a 50 year old individual might opt for a policy term of 10 to 15 years.

Premium Payment options

The plan offers payment options to suit every preference. You can opt for:

- Single Pay: Make payment in one lump sum and enjoy your plan benefits
- Limited Pay: Complete payment of your plan in a limited duration – 7/ 10/ 15/ 20/ 25 years and enjoy benefits for the chosen policy term
- Regular Pay[^]: Pay at regular intervals for the entire policy term

For Limited pay and Regular pay the premium payment can be made monthly, half-yearly or yearly

** Please refer 'Eligibility' section for minimum/ maximum limits on policy term for different premium payment options.*

Plan Benefits

Maturity benefit

Option 1- Life Cover

Maturity Benefit is not applicable under this option.

Option 2 -Life Cover with Return of Premium

Upon survival of the Life Assured till date of maturity of the policy, provided the policy is in force, Maturity Sum Assured equal to Total Premiums Paid till date for base plan option shall be payable in lumpsum.

Where, Total Premiums Paid means total of all the premiums received, excluding any extra premium, any rider premium and taxes.

Add-On Premium(s) shall not be considered in the Maturity Benefit.

The Policy shall terminate on payment of Maturity benefit and all rights, benefits and interests under the Policy shall stand extinguished.

Death Benefit

With respect to the base plan option, in the unfortunate event of death of the Life assured during the policy term, provided the policy is in force, the Death benefit equal to Death Sum Assured shall be payable in lump sum to the beneficiary post which the policy terminates.

The Death Sum Assured for different premium payment option is as below:

Death Sum Assured for Limited and Regular Pay, will be higher of:

- 10 times the Annualized Premium¹ for base plan option or
- 105% of Total Premiums Paid² for base plan option; as on the date of death
- Sum Assured³

Death Sum Assured for Single Pay, will be higher of:

- 125% times Single Premium⁴ for base plan option
- Sum Assured³

¹**Annualized Premium** shall be the premium amount payable in a year chosen by the policyholder excluding the taxes, rider premiums, underwriting extra premiums and loadings for modal premiums, if any.

²**Total Premiums Paid** means total of all the premiums received, excluding any extra premium, any rider premium and taxes

³**Sum Assured** is the amount chosen by the Policyholder at inception subject to Board Approved Underwriting Policy

⁴**Single premium** for this purpose shall be the Single premium paid, excluding the taxes, rider premiums, underwriting extra premiums if any.

For non-annual mode policies, Death Benefit shall be paid after deducting premiums due up to next policy anniversary without any interest.

In case of any claim during grace period, claim amount would be paid after deducting premiums due up to next policy anniversary without any interest.

Surrender

For Base Plan Options

Option 1 - Life Cover:

This is a pure protection plan option and therefore does not acquire any surrender value.

However,

For Limited Pay:

If the policyholder voluntarily opts to close the policy after payment of all due Premiums for at least first three consecutive policy years, following Refund Value shall be payable:

Refund Value = 70% x Total Premiums Paid till date for base plan option x [(Policy Term - Premium Payment Term) / Policy Term] x [Unexpired Policy Term (in months) / Policy Term (in months)];.

For Single Pay:

If the policyholder voluntarily opts to close the policy anytime during the policy term following Refund Value shall be payable:

Refund Value = 70% x Total Premium Paid for base plan option x (Unexpired Policy Term (in months) / Policy Term (in months));.

Refund Value is not guaranteed and shall be revised by Company, subject to necessary approvals as required by IRDAI.

For Regular Pay:

Refund Value is nil.

Option 2 - Life Cover with Return of Premium:

For Regular and Limited Pay:

Policy shall acquire Surrender Value if all premiums have been paid for at least first two consecutive years.

For Single Pay:

Policy shall acquire Surrender Value immediately upon payment of single premium.

For all premium payment options, Surrender Value payable shall be higher of Guaranteed Surrender Value (GSV) and Special Surrender Value (SSV).

Where,

Guaranteed Surrender Value (GSV) = GSV Factor x Total Premiums Paid till date of surrender for base plan option

Total Premiums Paid means total of all the premiums received, excluding any extra premium, any rider premium and taxes.

SSV is not guaranteed and shall be revised by Company, subject to necessary approvals as required by IRDAI.

The Surrender Value is payable in lumpsum during the policy term. On payment of Surrender Value, the policy will terminate and all rights, benefits and interests under the policy shall stand extinguished.

Lapse/Surrender of a Policy shall mean lapse/surrender of base plan option along with the add-on benefit (s). The base plan option or add-on benefit(s) cannot lapse independently.

Add on Benefits

Add-on benefit(s) is a pure protection benefits and therefore does not acquire any surrender value. However, Refund Value (as defined below) shall be payable with respect to Add-on benefit(s) if chosen with either of the base plan options.

If Accidental Death Benefit (ADB) Cover is opted then,

For Limited Pay

- On non-payment of all due Premiums for at least first three consecutive policy years, Refund Value is nil.
- On Voluntary exit from the policy after payment of all due Premiums for at least first three consecutive policy years, following Refund Value shall be applicable:

Refund Value = 70% x Add-on premiums for ADB Cover paid till date x [(Coverage term for ADB Cover – Premium Payment Term for ADB Cover) / Coverage term for ADB Cover] x [Unexpired Coverage term for ADB Cover (in months) / Coverage term for ADB Cover (in months)];

For Regular Pay:

Refund Value is nil.

For Single Pay:

If the Policyholder voluntarily opts to close the policy anytime during the policy term, following Refund Value shall be applicable:

Refund Value = 70% x Add-on premium for ADB Cover paid x [Unexpired Coverage term for ADB Cover (in months) / Coverage term for ADB Cover (in months)];.

If Life Stage Cover is opted then,

Refund value is nil, as Life Stage Cover is available only with Regular Pay policies.

Refund Value is not guaranteed and shall be revised by Company, subject to necessary approvals as required by IRDAI.

Lapse

For Option 1 – Life Cover and for Add-on-Benefits (irrespective of the plan option chosen):

Regular Pay: In case of non-payment of due Premiums within the grace period, the policy shall lapse and no benefits are payable.

Limited Pay: In case of non-payment of due Premiums during the first three consecutive policy years within the grace period, the policy shall lapse, and no benefits are payable.

In case of non-payment of due Premiums within the grace period, after payment of all due Premiums for at least first three consecutive policy years, the policy shall lapse and refund value as mentioned in Surrender section shall be

payable upon earlier of:

- Death during revival period where policy has lapsed
- End of revival period if the policy is not revived
- Policyholder voluntarily exiting the policy

Single Pay: In case of Single pay it is not applicable.

For Option 2 - Life Cover with Return of Premium:

Regular or Limited Pay: In case of non-payment of due Premiums during the first two consecutive policy years within the grace period, the policy shall lapse, and no benefits are payable.

In case of non-payment of due Premiums within the grace period, after payment of all due Premiums for at least first two consecutive policy years, the policy acquires Surrender Value and shall not lapse by reason of non-payment of due Premiums. The policy shall remain in force to the extent of paid up benefits.

Single Pay: In case of Single Pay it is not applicable.

Paid Up

Plan Option 1: Life Cover:

This is a pure protection plan option and therefore does not acquire paid up value. However a Refund Value (as applicable) shall be payable as mentioned under surrender section.

Plan Option 2: Life Cover with Return of Premium:

For Regular and Limited Pay policies:

After acquisition of Surrender Value, in case of non-payment

of due Premiums within the Grace Period, the policy shall be made paid-up with reduced benefits. If the reduced paid up policy is not revived before the end of the revival period the policy shall continue as a reduced paid up policy.

Following benefits are payable for a reduced paid up policy:

Death Benefit for a paid up policy = Reduced Death Benefit

Where, Reduced Death Benefit = Death Sum Assured x (Number of Premiums paid/Number of Premiums payable)

On payment of Reduced Death Benefit, the policy shall terminate and all rights, benefits and interests under the policy shall stand extinguished.

Maturity Benefit for a paid up policy = Reduced Maturity Benefit

Where, Reduced Maturity Benefit = Maturity Sum Assured x (Number of Premiums paid/Number of Premiums payable)

On payment of this Reduced Maturity benefit, the policy shall terminate and all rights, benefits and interests under the policy shall stand extinguished.

Add-on benefit :

Add-on benefit(s) is a pure protection benefit, therefore does not acquire paid up value. However a Refund Value (as applicable) shall be payable as mentioned under surrender section.

Policy Revival

A policy which has lapsed or paid up can be revived for full benefits subject to the following conditions:

- An application for revival must be made within 5 consecutive years from the due date of the first unpaid premium or before the end of policy term, whichever is earlier.

- The life assured must furnish satisfactory evidence of health and other requirements subject to Company's Board Approved Underwriting Policy at that time. Medical tests, if required, have to be borne by the policyholder at his own cost.

- The arrears of premium together with interest are received along with the revival application. The interest on revival, if any, will be decided by the Company from time to time.

The interest if so decided shall be set as quarterly equivalent of (3% + annualized yield on 10 year Government security.) Annualized Yield on 10 year Government security is sourced through Financial Benchmarks India Pvt. Ltd. (FBIL). Any change in this formula and basis to set interest rates shall be made with necessary approvals as required by IRDAI. (The current rate of interest applicable from 1st February, 2023 is 10.3% per annum basis 10 Years G-sec Rate as on 30th December, 2022). Interest on revival will be reset every year on 1st February and 1st August. Interest charged on policy revival is compounded quarterly.

Depending on the policyholder's health and other circumstances, the Company may choose to revive the policy on modified terms or decline it as per Board approved underwriting policy. Once a policy has been revived, the policy holder is entitled to receive all benefits under the policy.

If a lapsed policy is not revived within the revival period, refund as mentioned under Surrender shall be paid, if applicable and the policy cannot be revived thereafter.

In case the policy has lapse status and the death of the

Life assured happens during the revival period, refund as mentioned under Surrender shall be paid, if applicable.

On this payment, the policy will terminate and all rights, benefits and interests under the policy will stand extinguished.

Assignment & Nomination

Assignment will be allowed in accordance with provisions of section 38 of the Insurance Act, 1938 as amended from time to time.

Nomination will be allowed in accordance with provisions of section 39 of the Insurance Act, 1938 as amended from time to time.

Tax benefits

Tax benefits may be available for the premiums paid and for the amount received as death benefit/surrender proceeds under the policy.

As tax laws change from time to time, it is advised to consult a tax advisor for detailed information.

Free-look Period

The policy holder is allowed a free look period of 15 days (30 days for electronic policies and the policies solicited through Distance mode*) from the date of receipt of the policy document to review the terms and conditions of the policy. In case you do not agree with any of the terms and conditions, you have the option to return the policy to us for cancellation by communicating the same in writing stating the reasons for objections. We will refund you the premium amount after deducting the proportionate risk premium for the cover provided during that time plus any

medical examination cost and stamp duty charges incurred by us in respect of the policy. All the benefits under the policy will stand extinguished immediately on the cancellation of the Policy under the free look.

*Distance mode includes every activity of solicitation (including lead generation) and sale of insurance products through the following modes:

- Voice mode, which includes telephone-calling
- Short Messaging Service (SMS)
- Electronic mode which includes e-mail and interactive television (DTH)
- Physical mode which includes direct postal mail, newspaper and magazine inserts

Policy Termination

The policy will be terminated on account of any one of the following:

- On lapse at the end of the revival period
- On death of the Life assured
- On completion of policy term
- On payment of Maturity Benefit, if applicable
- On Free Look Cancellation
- On payment of Surrender value/Refund value where applicable
- In case of fraud or Misstatement the provisions of Section 45 of the Insurance Act, 1938 as amended from time to time will apply

Renewal Premium in Advance

Collection of renewal premium in advance shall be allowed within the same financial year for the premium due in that financial year. Provided, the premium due in one financial year may be collected in advance in earlier financial year for a maximum period of three months in advance of the due date of the premium.

The renewal premium so collected in advance shall only be adjusted on the due date of the premium.

Exclusions

1. **Suicide Exclusion:** In case of death due to suicide within 12 months from the date of commencement of risk under the policy or from the date of revival of the policy, as applicable, the nominee or beneficiary of the Life Assured shall only be entitled to 80% of the Total Premiums paid* till the date of death or the surrender value available as on the date of death whichever is higher, provided the policy is in force.
