

ESOS Online - Disabling the 'Exercise Now' Menu

As part of the maintenance activity in the 'ESOS Online' application, the 'Exercise Now' menu will not be available from 18.03.2020 to 31.03.2020, both days inclusive.

During this period, exercise of ESOS options will be restricted. However, option holders can log on to the 'ESOS Online' application and view the details. Those who have already exercised the options can generate the exercise forms and remit the money.

All concerned may take note of the matter.

Regards,

Ajith Kumar K K
Executive Vice President & CHRO
