

ESOS Online – Disabling the ‘Exercise Now’ Menu

As part of the maintenance activity in the ESOS Online, the ‘Exercise Now’ menu in ESOS online will not be available from 24.03.2016 to 31.03.2016.

During this period, exercise of ESOS options cannot be done. However, option holders can log in to the ‘ESOS Online’ application and have view facility. Those who have already exercised the options can generate the exercise forms and remit the money.
