### ***Fed-e-Life: Digital Life Certificate for Pensioners/Family Pensioners of the Bank***

Pension and Family Pension beneficiaries of the Bank are required to submit Life Certificate to the Trustees of The Federal Bank (Employees') Pension Fund, every year, to ascertain their eligibility status so as to ensure uninterrupted receipt of Pension/Family Pension.

As a part of Bank's endeavour to migrate fully to digital/paperless model, a new platform i.e. ***Fed-e-Life*** was introduced last year (Live Photo verification) to facilitate our Pension/Family Pension beneficiaries to submit their Life Certificate digitally.

Fed-e-Life platform can be accessed by clicking the link below.

#### **Login to Fed-e-Life**

In addition to the Fed-e-Life platform, an AADHAAR based biometric Digital Life Certificate platform has also been introduced recently, wherein the Pension/Family Pension beneficiaries can submit the Life Certificate digitally through any of our Branches. Any changes in Address, Mobile Number, e-mail ID etc., can also be updated while submitting the Digital Life Certificate.

Digital Life Certificate is based on AADHAAR validation and hence, only those beneficiaries having valid AADHAAR can submit the Life Certificate digitally. In the case of other beneficiaries (without valid AADHAAR), the existing practice i.e. submitting hard copy of the Life Certificate through any of our Branches/Offices may be continued.

The Pension/Family Pension beneficiaries can submit the Life Certificate (preferably digitally) latest by 30<sup>th</sup> September 2021. Those who have already submitted the hard copy of the Life Certificate for the current year, need not submit the same again, digitally.

Please call us at 0484-2634263 or e-mail to [trust@federalbank.co.in](mailto:trust@federalbank.co.in) for support, if any.

Warm Regards,

**Ajith Kumar K K**  
**Chief Human Resources Officer**
