CUSTOMER COMPENSATION POLICY

Introduction

Technological progress in payment and settlement systems and the qualitative changes in operational systems and processes that have been undertaken by various players in the market have enabled market forces of competition to come into play to improve efficiencies in providing better service to the users of the system. It will be the Bank's endeavour to offer services to its customers with best possible utilization of its technology infrastructure. Withdrawal of the Reserve Bank of India instructions to Banks on time frame for collection of outstation cheques, payment of interest on delayed collection of outstation cheques/instruments, with effect from 1st November 2004, had offered Bank further opportunities to increase its efficiency for better performance. This Compensation Policy of the Bank is therefore, designed to cover areas relating to unauthorized debiting of account, payment of interest to customers for delayed collection of cheques/instruments, payment of cheques after acknowledgement of stop payment instructions, remittances within India, foreign exchange services, lending, etc. The Policy is based on principles of transparency and fairness in the treatment of customers.

The objective of this Policy is to establish a system whereby the Bank compensates the customer for any financial loss he/she might incur due to deficiency in service on the part of the Bank or any act of omission or commission directly attributable to the Bank. By ensuring that the customer is compensated without having to ask for it, the Bank expects instances where the customer has to approach Banking Ombudsman or any other Forum for redressal to come down significantly.

It is reiterated that the Policy covers only compensation for financial losses which customers might incur due to deficiency in the services offered by the Bank which can be measured directly and as such the commitments under this Policy are without prejudice to any right the Bank will have in defending its position before any forum duly constituted to adjudicate Banker-customer disputes.

1. Unauthorised / Erroneous Debit

If the Bank raises an unauthorized/erroneous direct debit to an account, the entry will be reversed immediately on being informed of the erroneous debit, after verifying the position. In the event the unauthorized/erroneous debit results in a financial loss for the customer by way of reduction in the minimum balance applicable for payment of interest on savings Bank deposit or payment of additional interest to the Bank in a loan account, the Bank will compensate the customer for such loss. Further, if the customer suffers any direct financial loss incidental to return of a cheque or failure of direct debit instructions due to insufficiency of balance on account of the unauthorized/erroneous debit, the Bank will consider compensating the customer a part or full of such financial losses, considering various factors.

In case verification of the entry reported to be erroneous by the customer does not involve a third party, the Bank shall arrange to complete the process of verification within a maximum period of 7 working days from the date of reporting of erroneous debit. In case, the verification involves a third party, the Bank shall complete the verification process within a maximum period of one month from the date of reporting of erroneous transaction by the customer.

Besides in cases of the above kind:-

- (i) In case of any fraud, if the bank is convinced that an irregularity / fraud has been committed by its staff towards any constituent, the bank should at once acknowledge its liability and pay the just claim,
- (ii) In cases where banks are at fault, the banks should compensate customers without demur, and
- (iii) In cases where neither the bank is at fault nor the customer is at fault but the fault lies elsewhere in the system related to the electronic banking transactions, then also the banks should compensate the customers (up to a limit) as part of Policy on Limiting Liability of Customers in Unauthorised Electronic Banking Transactions- See Annexure for more details

2. NACH direct debits/other debits to accounts

The Bank will undertake to carry out direct debit/ NACH debit instructions of customers in time, subject to rules prescribed by the Bank. In the event the Bank fails to meet such commitments customer will be compensated to the extent of any financial loss the customer would incur on account of delay in carrying out the instruction/failure to carry out the instructions.

The Bank would debit the customer's account with any applicable service charge as per the schedule of charges notified by the Bank. In the event the Bank levies any charge in violation of the arrangement, the Bank will reverse the charges when pointed out by the customer subject to scrutiny of agreed terms and conditions. Any consequential financial loss to the customer will also be compensated.

3. Payment of Cheques after Stop Payment Instructions.

In case a cheque is paid after the Bank has acknowledged stop payment instruction, the Bank shall reverse the transaction and give value-dated credit to protect the interest of the customer. Any consequential financial loss to the customer will be compensated as provided under para 1 above. Such debits will be reversed within 2 working days of the customer intimating the transaction to the Bank.

4. Foreign Exchange Services

The Bank would not compensate the customer for delays in collection of cheques designated in foreign currencies sent to foreign countries as the Bank would not be able to ensure timely credit from overseas Banks. It is the Bank's experience that time for collection of instruments drawn on Banks in foreign countries differ, from country to country and even within a country, from place to place. The time norms for return of instruments cleared provisionally also vary from country to country. Bank however, would consider upfront credit against such instrument by purchasing the cheque/instrument, provided the conduct of the account has been satisfactory in the past and the Bank is satisfied about the drawer's credit worthiness and about customer's capability to make good the amount, in case the cheque is returned. However, the Bank will compensate the customer for undue delays in affording credit once proceeds are credited to the Nostro Account of the Bank with its correspondent.

Such compensation will be given for delays beyond one week from the date of credit to Nostro Account or due date after taking into account normal cooling period stipulated, whichever is later. (It should be distinctly understood that crediting to the account of the customer does not mean that the amount can be withdrawn, which will be permitted only after the prescribed period). The compensation in such cases will be worked out as follows:

- a) Interest for the delay in crediting proceeds as indicated in the collection Policy of the Bank
- b) Compensation for any possible loss on account of adverse movement in foreign exchange rate

Bank will have the right to debit/reverse any credit given to the customers' account, at any point of time (i.e. without time limit) if it turns out that the credit was fraudulent.

5. Payment of interest for delayed collection of cheques:

Cheques deposited at branch counters and in collection boxes within the branch premises before the specified cut-off time will be presented for clearing on the same day. The Bank will give credit to the customer account on the same day in which the clearing settlement takes place. Withdrawal of amounts so credited would be permitted as per the cheque return schedule of the clearing house. As part of the compensation Policy of the Bank, the Bank will pay interest to its customer on the amount of collection instruments, in case there is delay in giving credit beyond the time period specified. Such interest shall be paid without any demand from customers in all types of accounts. There shall be no distinction between instruments drawn on the Bank's own branches or on other Banks for the purpose of payment of interest on delayed collection.

Interest for delayed collection shall be paid at the following rates:

- (a) Savings Bank rate for the period of delay upto 14 days
- (b) Where the delay is beyond 14 days interest will be paid at the rate applicable to term deposit for the respective period.
- (c) In case of extraordinary delay, i.e. delays exceeding 90 days, interest will be paid at the rate of 2% above the corresponding Term Deposit rate.
- (d) In the event the proceeds of cheque under collection were to be credited to an overdraft/loan account of the customer, interest will be paid at the rate applicable to the loan account. For extraordinary delays, interest will be paid at the rate of 2% above the rate applicable to the loan account.

Interest payment as given above would be applicable only for instruments sent for collection within India.

6. Compensation for loss of instrument in Transit

The Bank's compensation Policy for financial loss suffered by the customers due to loss of instrument after it has been handed over to the Bank for collection by the customer would also be as indicated in our collection Policy. The same is extracted below for information:

Cheques / Instruments lost in transit / in clearing process or at paying Bank's branch

In respect of cheques lost in transit or in the clearing process or at the paying bank's branch, the bank will immediately bring the same to the notice of the account holder so that account holder can inform the drawer to record stop payment and can also take care that other cheques issued by him are not dishonoured due to non-credit of the amount of the lost cheques / instruments.

The onus of such loss lies with the collecting banker and not the account holder.

The bank would reimburse the account holder related expenses for obtaining duplicate instruments and also interest for reasonable delays occurred in obtaining the same.

If the cheque / instrument has been lost at the paying bank's branch, the collecting banker should have a right to recover the amount reimbursed to the customer for the loss of the cheque / instrument from the paying banker.

Bank will compensate the customer in respect of instruments lost in transit in the following way

- i. In case intimation regarding loss of instrument is conveyed to the customer beyond the time limit stipulated for collection, interest will be paid for the period exceeding the stipulated collection period at the rates specified above
- ii. In addition, Bank will pay interest on the amount of the cheque for a further period of 15 days at Savings Bank rate to provide for likely further delay in obtaining duplicate cheque/instrument and collection thereof.
- iii. The Bank would also compensate the customer for any reasonable charges, he/she incurs for getting duplicate cheque/instrument upon production of receipt, in the event the instrument is to be obtained from a Bank/institution who would charge a fee for issue of duplicate instrument.

7. Issue of Duplicate Draft and Compensation for delays

Duplicate draft, in lieu of lost draft, up to and including 5,000/- may be issued to the purchaser on the basis of adequate indemnity and without insistence on seeking non payment advice from drawee office irrespective of the legal position obtaining in this regard.

Bank will issue duplicate Demand Draft to the customer within a fortnight from the receipt of such request. Further, for the delay beyond this stipulated period, banks will pay interest at the rate applicable for fixed deposit of corresponding maturity in order to compensate the customer for such delay. The period of fortnight prescribed would be applicable only in cases where the request for duplicate demand draft is made by the purchaser or the beneficiary and would not be applicable in the case of third party endorsements.

8. Violation of the Code by Bank's agent

In the event of receipt of any complaint from the customer that the Bank's representative / courier or DSA has engaged in any improper conduct or acted in violation of the Code of Bank's Commitment to Customers which the Bank has adopted voluntarily, the Bank is committed to investigate the matter and endeavor to communicate the findings to the customer within 7 working days from the date of receipt of complaint and wherever justified, compensate the customer for financial loss, if any, as contemplated under this Policy.

9. Responsible Lending Conduct – Release of Movable / Immovable Property Documents on Repayment/ Settlement of Personal Loans

The Bank shall release all the original movable / immovable property documents and remove charges registered with any registry within a period of 30 days after full repayment/ settlement of the loan account.

Compensation for delay in release of Movable / Immovable Property Documents

In case of delay in releasing of original movable / immovable property documents or failing to file charge satisfaction form with relevant registry beyond 30 days after full repayment/settlement of loan, Bank will communicate to the borrower reasons for such delay. In case where the delay is attributable to the Bank it shall compensate the borrower at the rate of ₹5,000/- for each day of delay.

In case of loss/damage to original movable / immovable property documents, either in part or in full, the Bank will assist the borrower in obtaining duplicate/certified copies of the movable / immovable property documents and shall bear the associated costs, in addition to paying compensation as indicated above. However, in such cases, an additional time of 30 days will be available to the Bank to complete this procedure and the delayed period penalty will be calculated thereafter (i.e., after a total period of 60 days).

10. Compensation for delay in credit/return in RTGS /NEFT System

In case if not possible to credit the funds to the beneficiary customer's account for any reason, the funds received by the RTGS member bank will be returned to the originating bank within one hour of receipt of the payment at the Payment Interface (PI) or before the end of the RTGS Business Day, whichever is earlier. Any delay in returning the failed payment, the originating customer is eligible to receive compensation at current repo rate plus 2%.

If the NEFT transaction is not credited or returned within two hours after batch settlement, then the bank is liable to pay penal interest to the affected customer at the current RBI LAF Repo Rate plus two percent for the period of delay / till the date of credit or refund, as the case may be, is afforded to the customers' account without waiting for a specific claim to be lodged by the customer in this regard.

11. The issue of unsolicited credit cards / upgradation and closure

In case, an unsolicited credit card is issued / existing card upgraded and activated without the explicit consent of the recipient and the latter is billed for the same, the Bank would not only reverse the charges forthwith, but also pay a penalty without demur to the recipient amounting to twice the value of the charges reversed. In addition, the person in whose name the card is issued can also approach the RBI Ombudsman who would determine the amount of compensation payable by the card-issuer to the recipient of the unsolicited card as per the provisions of the Ombudsman Scheme, i.e., for loss of complainant's time, expenses incurred, harassment and mental anguish suffered by him / her.

Any loss arising out of misuse of such unsolicited cards would be the responsibility of the Bank only and the person in whose name the card has been issued shall not be held responsible for the same.

The compensation provided under these directions shall be without prejudice to the rights of a borrower to get any other compensation as per any applicable law.

Unsolicited loans or other credit facilities would not be offered to the credit cardholders without seeking explicit consent. In case an unsolicited credit facility is extended without the written/explicit consent of the cardholder and the latter objects to the same, the Bank would not only withdraw the facility, but also be liable to pay such penalty as may be considered appropriate by the RBI Ombudsman, if approached.

Any request for closure of a credit card would be honoured within seven working days by the Bank, subject to payment of all dues by the cardholder. Subsequent to the closure of credit card, the cardholder shall be immediately notified about the closure through email, SMS, etc. Failure on the part of the Bank to complete the process of closure within seven working days shall result in a penalty of ₹500 per day of delay payable to the customer, till the closure of the account provided there is no outstanding in the account.

12. Force Majeure
